**Additional Guidelines.** HEF will likely not approve applications which repeat previous similar student club projects, request significant transportation expenses, lacks sufficient detail to understand how your project will work; lacks student response to follow-up requests for more information; benefits very few compared to the cost; requests things the school district provides; or has better suited funding options available. HEF cannot approve applications which request building alterations; child care; food; raffles; door prizes or other incentives; money to set up a foundation, trust, bank or investment account; money for other organizations; or money which may create a liability.
